Foreword

Time insists that we depart from the place where four of the happiest and most important years of our young lives have hastened to completion. In this familiar red brick building, our personalities have been molded and the patterns of our futures have been designed.

We enjoyed working in harmony with our classmates and together we encountered new experiences, accepted important responsibilities and, in so doing, realized our highest goals. Another deciding factor of our achievements lay in unity of purpose; our determination to succeed in all undertakings.

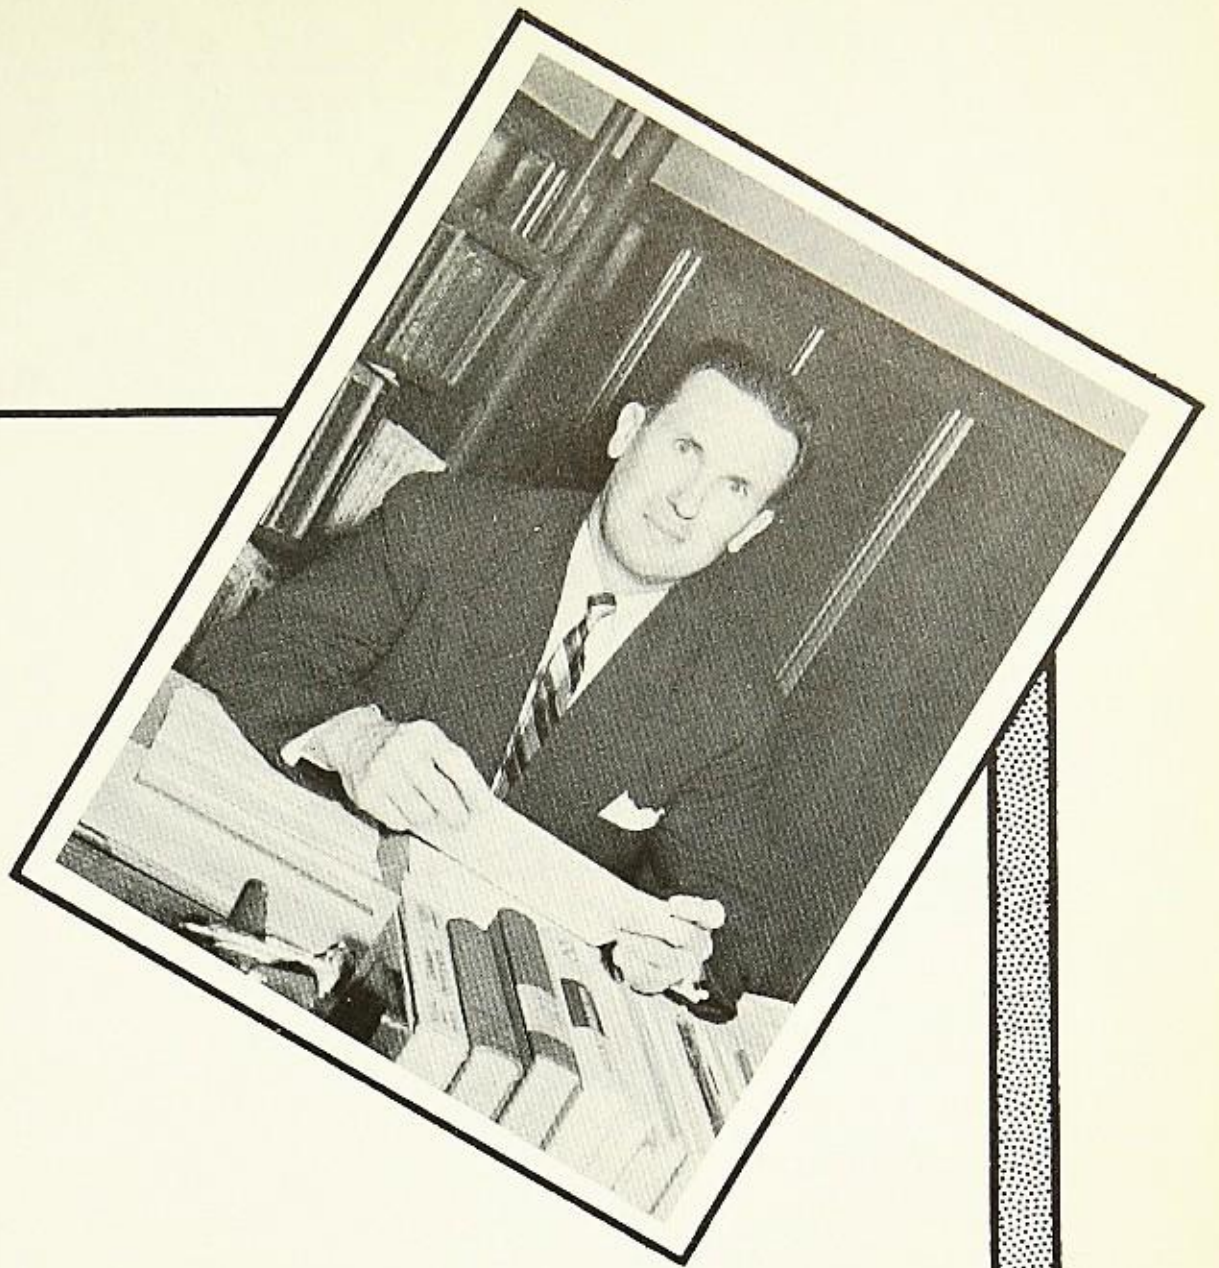

Now we present one final product of our combined interest and effort as a class, the 1956 SPECTATOR. One will find between its covers a collection of treasured memories often to be relived and never to be forgotten.

Superintendent's Message

Although the modern secondary school no longer ministers mainly to a selected group of students who are preparing for entrance to higher institutions, it still continues to be primarily an intellectual agency. As such, it has the unique function of not only the developing of minds but also of aiding community agencies achieve their specific functions.

In carrying out its primary function, the school must encourage youth to lead intellectually strenuous lives; to cultivate the capacity to appreciate meaning rather than memorization, and to break through the rigid and narrow specialism of curricular subjects into the fields of knowledge that really enlighten. In fulfilling its instrumental responsibilities, the school must also offer a program of educational opportunities which will help to provide for the total growth of each student entrusted to its care.

This dual role of the school need not lead to a confusion of purposes or goals. With the objectives of character, knowledge, and democracy guiding our efforts, the school will be successful in turning out young people who are adequately equipped to participate effectively in the constructive, living processes of our democratic day society.

Principal's Message

June, 1956

Dear Graduates:

The 1956 edition of the Spectator records your achievement as a class in Watervliet High School. Its pages reflect the importance of the "tangibles" in high school—proms, clubs, sports, and other extra-curricular activities. We wonder about the "intangibles"—knowledge and character development which are the real goals of achievement in high school life. Your academic record offers some appraisal, inadequate perhaps, of knowledge acquired. Evaluation of your character development must be delayed until you have acquitted yourselves in a world whose greatest need is good citizens. Each of you will be challenged in a world where moral and spiritual worth has been devalued. Are you ready to face that frontier with personal honesty, acceptance of moral responsibilities, and individual integrity? If you are thus prepared, then you have learned the meaningful lessons Watervliet High School meant to teach you. We shall measure your success in terms of your best efforts, be their results great or small. Some of you may be destined for fame, others for obscurity; but each of you must assume a responsibility. Someone has expressed this idea aptly as follows:

"There is a place for you to fill

Some work for you to do

That no one can or ever will

Do quite as well as you."

Success and happiness to each of you.

Sincerely,

Elizabeth R. Hanrahan.

In Memoriam

TO DIANE

*In Heaven afar
She claims her place,
She leaves behind
A hollow space,
Yet if we knew
The peace and rest
That come to those
Who absorb God's best,
We would realize
That she now has gained
A life of joy
Ever free from pain.
We would rejoice
That she now scans
Earth's scenes, earth's sins
With power to understand,
That we who have faith
Will someday be
With Him, with her
For eternity.*

Guidance

February of '56 was a joyous time for our Class. One of our favorite teachers received a promotion. "Prof" Collier, as he is fondly called by all students acquainted with his friendly smile and agreeable manner, was appointed Guidance director. This new position affords much work and long hours which Mr. Collier gives willingly. He began immediately to assist us in solving our problems and worked diligently in our behalf. We appreciate his efforts and take this opportunity to express to him our heartfelt gratitude and congratulations. We all wish "Prof" success and happiness for many years to come.

Remember?

Remember...that first day? How frightening it all seemed? How small and insignificant you felt? You ran everywhere...thought you must yell to attract attention. Remember how big and important you acted to impress the upper-classmen? It never really worked did it?

You...yes, you...the blond girl...Remember the morning you opened your locker and a tiny freshman boy jumped out? How the pranksters laughed! I shall never forget the look on your face...You certainly were surprised!

Remember Moving-Up Day of your Freshman year? They sang "Rock-a-Bye Baby" and "Where, Oh Where are the pea-green Freshmen . . . Safe now in the Sophomore Class."

A gay young Sophomore...not yet an upperclassman...but you bossed the freshmen anyway. You...the brunette there...You won't admit it, but I saw you...in your Sophomore year...You couldn't find 212...were late for Biology...and you laughed at freshmen.

I know you remember the Sophomore-Senior Party. You...the boy with the blond curls...yes, I know you hate them...It was your first date with Her...You were so surprised when she accepted...You shined your shoes twice...got mad when you lost your cufflinks under the dresser...You were on your knees looking for them, when Mom, good old Mom, offered her understanding assistance. Remember how you both blushed when you said to your date, "Gee, you look nice!"

And you...the tall girl...Remember how thrilled you were when that popular Senior asked you to dance? You talked about him all week in school...Some of the girls at your cafeteria table were envious...and you loved it. In fact...you loved life...you were sixteen.

Of course you remember your junior year..."Jolly Juniors" they said...How right they were! Records and movie stars...homework and cokes...class rings and garnet letters...You were hoarse after cheering at our games. 'Phone calls came from your steady. Remember...you the little redhead...One night you tied the line up so long, your Dad said you couldn't have calls for a week...So you went to your girlfriend's and your guy called you there.

June Prom...You...with the Italian Boy haircut...You cried for a new gown...Remember the shine in your Mother's eyes when you were leaving and how proud your Father looked? He forgot the outrageous price he paid for your gown.

That boy there... in the school sweater...You pleaded with your folks for the car...Remember how they each slipped you a five dollar bill and made you promise three times to drive carefully?

Remember this last year? So soon you are a senior...relaxed and reminiscent...roaming the halls...late for class...detention...knee socks and V-neck sweaters...charcoal slacks and dirty bucks...pony tails and crew cuts...A year of dreams...dreams of recent origin...ivy-draped college buildings...brightly lighted offices...white walled hospitals...distant places and marching men...dreams of a new life...and dreams...silent secret dreams of love...and then...an embarrassed laugh and reality is in command once more. A year of indecision and not knowing which way to turn...A year of advice and independence...acceptance and rebellion...You're more mature...and yet you are a child at times...Remember the squirrel skin on a senior girl's shoulder...a piercing scream and a roar of laughter? "Such behavior for seniors!"

Yes...there are moods...one moment bounding to the peak of ecstasy...the next...plunging to the depths of despair...but only for a moment...for now the world is yours and who knows what the future may bring?

Cherish the past and its memories...benefit by the present and its joys...prepare for the future and its unknowns...Yes...remember your yesterdays...learn from today...and live...live well for tomorrow.

Remember? How could you forget?

FRESHMAN CLASS SONG

to be sung to tune of
"Caissons Go Rolling Along"

Clap your hands, give a shout
And we'll tell you all about
The Freshmen of One-Nine-Five-Three
Some are tall, some are short,
But we're happy to report,
We're the finest you ever will see.
We run down the halls
And write on all the walls.
We shout long and loud and merrily.
And where e'er you go
You will always know
We're the Freshmen of One-Nine-Five-Three.

SOPHOMORE CLASS SONG

to be sung to tune of
"Cross Over the Bridge"

Now we're a class that's had some fun
On each and every day,
And since we've had a happy time,
We're very glad to say,
That though our years have quickly passed,
We have not gone astray
And we will stay together till we leave
Commencement Day.

Now we are Juniors!
Oh happy day!

We will leave our Sophomore title, to somebody new.
We are proud we've reached our aim,
We'll bring our school much fame,
Juniors: We're on our way!

JUNIOR CLASS SONG

to be sung to tune of
"Marine's Hymn"

In the halls of good old Watervliet High
We began our Freshman year
We arrived in unbecoming green
And our teeth shook out from fear.
But we strived for right
And did no wrong,
And we kept our honor clear
So that we could claim the title of
The Senior Class next year.

Our Class is made of gals and guys
Who are swell in every way.
We have worked together
Three years thru
And together we shall stay.
When the problems of next year arise,
Relax and have no fear
You will find us always on the job
In the Senior Class next year.

Alma Mater

Where Phil Schuyler and Van Vliet
Laid in paths which now are streets,
Where the grim, fine arsenal
Dares our enemies, makes them quail,
Where our heritage is grand,
There we love to take our stand
Proud to feel at home our feet—
On soil (on soil) of Watervliet.

Now we realize "Knowledge Power"
Sisters always, make them ours—
Now we strive, our footstep turns
To the source where wisdom burns,
On that altar we will try
To honor Watervliet High
With fellowship, good will and worth
To prove (to prove) our regal birth.

Class History

The torrential rain that fell on September 3, 1952, succeeded not only in drenching many crisply ironed shirts and dresses but also in dampening the spirits of some one hundred fifty new students of Watervliet High. We, the bedraggled "Peagreeners" nervously entered that awe-inspiring brick edifice and promptly proved ourselves worthy of our newly acquired title. We smiled shyly at those among us who appeared to be suffering similar qualms and hastily joined their several awkward groups. Once among friends, we stared incredulously at certain confident creatures who seemed to know what was going on. (As rumor would have it, they were Seniors.) We were herded into the auditorium where Miss Elizabeth Hanrahan took charge. Under her guidance, the existing groups banded together to form a class referred to as "the lowly Freshmen." We were assigned to our respective homerooms where we met the teachers destined to aid us throughout our four years at W.H.S. They were, Mrs. Aulisi, 101; Miss Fogarty, 201; Mrs. Quinn, 202; Miss Gabriels, 206; Mrs. Hudson, 211; and Mrs. Poole, 213.

Because we newcomers constantly lost our way while running to class, sympathetic upperclassmen recommended the elevator located at the north end of the first floor hall. Shortly after we gave up waiting for this imaginary convenience, we elected our first class officers; President, Richie Wilson; Vice President, June Walker; Secretary, Dottie Provost; and Treasurer, Lou Tetrault. It wasn't long before members of the Class of '56 (that year seemed so distant to us) became important little cogs in the machinery of W.H.S. Rich Foglia showed promise as a football muscle-man and four of our boys, Bill Phillips, Don Quackenbush, Paul Esposito and Tony Romanelli held positions on the J.V. basketball team. Jerry Mastan was an up-and-coming Frosh on the baseball team and Ken Haskins, Mike Prendergast, Ed Kehoe and Rich Foglia represented us on the track.

It was with eager expectations for the future that we sang our first class song on Moving-Up Day.

The next year, 1953, we were truly "gay young Sophomores." However, we did have our serious moments. It was on one of these occasions that we elected Mrs. Aulisi to guide us in future efforts for success. Blue and Gold were chosen as our class colors and Bill Phillips was voted President. To assist Bill were Jean Morrison, Vice President; Flit Hughes, Secretary; Dave Maney, Treasurer; and Lou Tetrault, Reporter.

In November, the Class of '56 experienced a common grief. One of our number, Fay Palmatier, met a sudden tragic death. We were learning that life is not altogether pleasant.

Our first venture into the social world was the Sophomore-Senior Party, the traditional farewell given by the Sophomore Class to the revered Seniors. We were pleased not only with the tremendous success of the party but with our classmates who were gaining recognition for themselves and the Class of '56 in sports, clubs and other activities requiring talent, skill, and leadership. Rich Foglia not only proved important to the track team but established a fine football reputation, also. Lou Tetrault claimed a place on the soccer field and shared the cheers with Paul Esposito in the J.V. basketball games. Not to be outdone, Chuck Kelsey, Lionel Rogers, and Jerry Mastan proved they could really hustle that ball on the diamond. The fairer sex was not without representation. The J.V. cheerleading squad consisted of Marcy VanLeuven, captain, June Walker, Nancy Lewandowski and Evelyn DelSignore.

As we sang our Sophomore Class song, we realized we were truly moving-up for, already, we were upperclassmen.

Our Junior year began with much excitement and great anticipation. Being mindful of our duties as upperclassmen and realizing that this, 1954-55, was to be our biggest year thus far, we elected John Dean to the class presidency. His fellow officers were Rich Foglia, Vice President; Flit Hughes, Secretary; Bob Long, Treasurer; and Adelaide Dorr, Reporter.

According to the custom of Watervliet High, the Junior Class presented the Christmas Play. This production added another success to our lengthening list.

The winner of the campaign between Bob Long and Dave Maney for the highest office of W.H.S., that of President of the Student Council, was determined by so small a margin that Bob, the victor, became President and Dave was awarded the Vice Presidency. As Juniors, it was also our duty to choose another person who would fill an

Class History

important position in our Senior year, the yearbook editor. Realizing the qualifications needed to fulfill the duties of this office, we selected Tom Pratt to head the SPECTATOR staff.

Our class was distinguished in all fields of school activity. Rich Foglia, Chuck Kelsey, Richmond, Bill Phillips, and Don Quackenbush, fought with brain and brawn for our Alma Mater on the gridiron. Bill and Don also numbered among the Varsity basketball players with Paul Esposito, Tipper May, and Lynn Dugan. Chuck Kelsey, Dave Maney, Ken Kippen, Jerry Mastan, and Lionel Rogers displayed their skill and stamina in our baseball games as Paul Esposito, Lynn Dugan as Tipper May did on the soccer field. The efforts of Ed Kehoe, Bill Brown, and Rich Foglia did a great deal toward enabling our track team to achieve success. Nancy Lewandowski, captain, Pat Breen, Flit Hughes, Ginny Bird, and Dottie Provost composed the J.V. cheerleading squad and Evelyn DelSignore and Marcy VanLeuven helped keep up the school and team spirit as Varsity cheerleaders. Rich Foglia was chosen to represent us on the All-City football team, another honor for him and the school.

Our Blue and Gold banner arrived and was promptly displayed in the showcase to be admired by all and beamed upon by proud Juniors. Our class rings also received a warm welcome when they arrived early in June. Feeling even more united by our rings, we exerted every possible effort in preparing for the June Prom, a goodbye gift from the "jolly Juniors" to the "grand old Seniors." This occasion, one of the highlights of every school year, was conducted at the Ten Eyck Hotel. Lovely Ginny Bird was chosen by the class to reign as Queen. The members of her court were Pat Breen, Barbara Granger, Barbara McGovern, Joyce Best, Jean Morrison, and June Walker.

Another year drew quickly and happily to a close. Moving-Up Day brought with it the realization that although three years of activity and accomplishment were complete, our busiest and most important year was yet to come. Our final goal as a class lay at the end of a challenging road of responsibility.

We returned to school in September of our Senior year to discover things were already happening. First of all, we had a new Principal. "Our Pal," Mr. Sanders, had been replaced by the most capable and efficient Miss Elizabeth Hanrahan, who had formerly held the position of Guidance Director. Secondly, the unfortunate members of homeroom 211 found their last year in the little red schoolhouse beginning with a minor catastrophe. They were divided among the four remaining Senior homerooms where sympathetic classmates welcomed them to the fold. Late September brought true sorrow to the entire Senior Class. Our friend, Diane Powell, completed her journey on earth. She attained her Ultimate Goal where she awaits us even now.

Early in '55 we placed our utmost confidence in Dave Maney by selecting him as Senior Class President. His fellow officers were Al Richmond, Vice President; June Walker, Secretary; Bob Poulin, Treasurer; and Linda Stewart, Reporter.

Plans began almost immediately for the Senior Play, JUNIOR MISS. Included in the cast were Ginny Bird, leading lady; Elmer Akots, Priscilla Conover, and Maggie Paparian. With this most successful production we "chalked up" another point in our favor.

Naturally, most of the offices of the school's various organizations were filled by Seniors. However, not all our efforts were confined to inside extra-curricular activities. Our Garnet and Gray football team was largely composed of Seniors. They were Rich Foglia, captain; Lou Tetrault, Ed Kehoe, Don Quackenbush, Frank Barone, Lionel Rogers, and Ray Favata. Rich Foglia made us especially proud of him when he was again selected for the All-City team. Lynn Dugan, Paul Esposito and Tipper May again gave their all to the soccer team thus bringing more acclaim to W.H.S. Our Varsity basketball Cannoneers were Paul Esposito, captain; Bill Phillips, Don Quackenbush, Tipper May, Lynn Dugan, and Johnny Carroll. Evelyn DelSignore captained the Varsity cheerleaders; Marcy VanLeuven, Pat Breen, Flit Hughes, Ginny Bird, and Dottie Provost.

In February of '56, "Prof" Collier became Guidance Director, a promotion which pleased us all. One of our classmates also received a new title. June Walker was chosen the school's Best Citizen by the D.A.R., a high honor.

As these events are recorded, preparations are underway for the Junior-Senior Party which we shall present to the Juniors in the gym on March seventeenth. We are also eagerly awaiting the Senior Ball. This gala affair, our final social function, will be conducted at the Hendrick Hudson Ballroom on April twentieth.

With the last days of June will come our last days in W.H.S. We shall assemble in the auditorium on Class Night and Graduation Day and recall the memories recorded in this, the History of the Class of '56.

Class Will

As we of the Class of 1956 prepare to make our final exit through the portals where first we entered four years ago, we pause for a moment to reflect upon our yesterdays in Water-vliet Hight. Each of us, in our short history here, has gained a certain distinction by which our classmates will remember us. Since these individualities originated in W.H.S., we decided it only fitting to leave them here to be continued by our worthy successors.

Nathalie Call and Marion Deuel will their red hair to all poor souls who use Red Touch.

Shirley "Speedy" Battisti and Connie "Hot Rod" VanBuren leave Prof Aulisi a few gray hairs for which he's thankful.

Dick Poliquin and Emmett Diodati exit with their usual humor—our wise cracks.

Jerry Mastan leaves Mrs. Cross without a crooner for future talent shows.

Dottie Sokol wills her curiosity to Barbara Guy, who also enjoys the latest goings on.

Our future mortician, Art Bowen, leaves us with his cheery promise, "I'll be the last to let you down."

Because we wish to leave our tired teachers a clear conscience, we hereby express our forgiveness for their outrageous punishments and countless, ill-timed assignments.

We leave our beloved homerooms and the stuffy SPECTATOR room echoing with our laughter and a fond goodbye.

Among the treasures we cannot leave behind are the memories we'll cherish of our little red schoolhouse on the hill.

THE WATERVLIET NEWS SOCIETY SECTION
June 28, 1966

Last night, the Class of 1956 of Watervliet High School held its first reunion since the members of that group went their separate ways into the world. Many distinguished personalities were present. Class President Dave Maney, now president of Modern Movies Corporation, acted as Master of Ceremonies. Those who accompanied Mr. Maney in his private plane to Watervliet were Paul Quinn, pilot; screen queen, Barbara McGovern; Paul Nielson, recently discovered "double" for Marlon Brando; dashing movie idol, Frank Barone and film fashion designer, Doris Moffat. Seated around Mr. Maney at the guest table were the class officers. Al Richmond, Vice President, was kept busy throughout the evening autographing copies of his ponderous dictionary, "Originable Wurds." June Walker, Class Secretary, is now head of a New York model agency. Several of her loveliest models were also her classmates. Those present were Phyllis Salernos, Mary Ann Grillo, Kathy O'Donahoe, and Joan D'Agostino. Mr. Robert Poulin, who received his start as Class Treasurer, now owns the Fourth City Bank of Troy. As the evening progressed, Mr. Poulin was surrounded by five classmates who confessed to be still in search of their first million; Tom Stoddard, John Sullivan, Tom Patton, George Kenny, and Nick Fitzgerald. They were referred to Kenneth Haskins whose fortune makes that of Andrew Carnegie seem naught but a weekly allowance. Class Reporter Miss Linda Stewart is no longer a Miss. After serving humanity for several years as a nurse, she joined the ranks of happily married '56 graduates. Women in this category are those formerly known as Dot Sokol, Ann St. Hilaire, Emily VanOlpen, Rosella Casola and Joyce Chartrand.

As the reunited friends talked over old times, one incident seemed particularly humorous. Nancy Darmetko and Sandy Griffin, telephone operators, recalled the time they had been chatting about their days at W.H.S. and turned the switchboard into a tangled mass of wires. Result? They actually had Nixon talking to Truman!

It was surprising to observe how many celebrities were produced by the Class of '56. In attendance was General Elmer Akots, the first American ever to become a Six Star General. Joan Donlon, recent winner of the P.U. Litzler Prize for Modern Art, displayed her original painting. Named "The Good Old Days," it pictures Connie VanBuren, Norma Palmer, and Shirley Normandin standing in front of Ann's. That business is now owned by Flit Hughes who has become quite wealthy from nickel cokes bought daily by present-day Watervliet High students. Famous jet pilot, Dave Robideau, and his accompanying stewardesses, Janet A. Tribley and Ginny Bird, are other prominent personalities who attended. En route to the reunion they had made frequent stops for certain classmates whose occupations have carried them to distant places. They were joined in Paris by Bob Clark, a tourist guide in that romantic city. In Texas, Richard Budka, owner of half the Lone Star State, boarded the plane. Next stop was Chicago where Tony Jesmain, reporter for the City Chronicle, joined the party. Tony plans to write a "Big Story" about the reunion. One final stop at Fort Dix added Carl Disonell, W.A.C. Recruiting Sergeant, to the crowd.

As the class members circulated among their old friends discussing their various vocations, it became evident that the class on the whole and as individuals, had met with success. Joe Capozzelli and Mike Prendergast are accounting experts for the Sword Motor Company and Bob Grobecker is chief executive at Bear Manning. Mr. Grobecker's private secretary is Janet M. Tribley. Mary Ann Kirtoglow was chosen "Miss Personality" by her business associates and Shirley Battisti and Pat Breen were listed among "America's Best-Dressed Women." Joyce Walters is a successful novelist, Barry Ross is the world's most respected authority on English literature and Tony Gallo is America's champion stock car racer. It is a known fact that Deni Tacelli became the world's figure skating champion at the Olympics this year. Also present in Olympic contests was Lynn Dugan, star soccer player. Members of the class outstanding in sports today are George Brown and Lionel Rogers, professional gridiron heroes, and Don Quackenbush, Mr. Basketball, U.S.A. Paul Esposito still holds the world's record for the most points in one game, however. The newly erected Football Hall of Fame contains bronze statues of class members, Rich Foglia, Bill Phillips, and Ed Kehoe. Chuck Kelsey, fighting Yankee manager, is honored in the original Baseball Hall of Fame.

Success cannot be measured simply by fame or fortune. There are many '56 graduates who are extremely successful in domestic affairs. Melba Ramroth, Virginia Bowen, Marion Deuel, Alyce D'Avignon and Joan Poulin were among the women who left their household duties to their husbands so they could attend the reunion. Girls of the class are also represented in the business world. Connie Cietek owns half of Montgomery Ward and is presently considering purchasing the remaining stocks. Adelaide Dorr is chief toupee designer for Wiggins Wig, Inc. which is operated jointly by Joan Pouchack and Carol Comprowski. Rose Ann DiModugno is now secretary to the owner of the million dollar enterprise, Deratzian Studios where Alice Kempisty is employed as outfit consultant for

model Barbara Ashcroft. Sylvia Lobinger and Vicki Fiske are laboratory technicians who still delight in scissoring juicy specimens for the sake of science. Barbara Roullier and Dottie Provost, as a result of their experience on the Garnet and Gray staff in W.H.S., are columnists for America's top magazine, "Most." (Editor of this publication is Dick Gardiner, another member of the Class of '56.) Girls who completed the Commercial course in 1956 have proven very successful. Kay Esposito and Helen Dagen are partners in a private business concern. They employ several of their classmates. Nancy Lewandowski is Personnel Manager, Priscilla Conover and Pat Manderville are department heads, and Dolores DiNuzzo, Katy Gott, Carol O'Brien, Thelma Fellows and Jeanne Gusberti compose the office force.

The Class of '56 is well represented in the field of education. Esther Schilling is a Commerce teacher; Joyce Best and Helen Neddo teach gymnastics at C.B.A.; Carole Collier and Marcy Van Leuven are Spanish and Physics instructors, respectively, at Albany State; Julianne MacDonald teaches Home Ec at her Alma Mater and Jean Morrison is a local speech therapist. Marlyn Ashley and Ann Hanchett operate a veterinary hospital where Dave Lefevre is head physician. When these people lose a patient, they call mortician Art Bowen just as everyone else in the area does. The hospital is located just north of Howansky Acres, the gigantic farm owned by Dan Howansky, Class of '56.

Gentlemen present who suffered through difficult math and science subjects in W.H.S. were heard to say, "It really takes a head to get ahead." Tom Pratt designed the gold plated Escalators which carry fortunate students up and down the hill to Watervliet High. Tom thought of everything. The "down" Escalator just won't run for bored Seniors endeavoring to butt sixth period and go to Ann's. Angelo Lomascolo is another scientific genius. He has manufactured a machine which, for a small fee, does "times work" for study hall occupants who misbehave. Bob Avery and Jim Butler have revised Trig textbooks to make them more interesting. They accomplished this seemingly impossible task by placing illustrations of movie starlets Barbara Bombshell and Chilly North on every other page.

Some of the women who used to talk about their boyfriends in their senior year had a different topic last evening: babysitters' wages. Involved in this conversation were Nan Dean, Janice Preston, Irene Rantanen, Elinor Gregoire, Evelyn DelSignore, and Ann Donovan. A certain group of their classmates; Martin Allen, Harry McBain, John Hayes, Warren Bomboy, and John Deneker, who profess carefree bachelorhood, greatly enjoyed this conversation.

At approximately ten o'clock, the Master of Ceremonies called for attention. Awards were presented to two married couples who went steady ten years ago back in Watervliet High. Mrs. Lou Tetrault (formerly Sandy Coughlin) and Mrs. Tipper May (Barb Granger) graciously and triumphantly accepted the rolling pins. Prizes were presented also to couples having the most children. Dick Poliquin, baffled father of three sets of twin girls, received a sympathy card and a diaper pail. His twin sister, Brenda, proud mother of three sets of twin boys, was presented a congratulations card and a year's supply of soap. Following the awards, Mr. Maney read a letter from Senators John Cohen and James Ewing who expressed their regret over being unable to attend. They stated that it should be expected, however, since politics has always managed to mess things up.

The evening's entertainment was furnished by members of the class. Included in the program were Melinae Vartanian, celebrated concert pianist; Natalie Call and Larry Lansing, Watervliet's answer to Vera Ellen and Fred Astaire; Shirley Yarborough and Ginny Wood, recording artists for R.C.A.; Jim DelSignore, local disc jockey; those crazy comics, George Banks and Ronald Stidnick the Martin and Lewis of our time; Jerry Mastan, TV's top tenor; John Carrol and Ken Kippen, successors to Groucho Marx and George Gobel; Maggie Paparian and Fran Squadere, another riotous comedy team; Pat Feary, Big Time Circus Funny Lady, and Bob Chiplock, America's great jazz pianist. Although Wayne Ambrose and Emmett Diodati were no part of the formal entertainment, they provided many a hearty laugh just as they did in high school. If a debonair gentleman who makes the heart of unmarried women rejoice is considered entertainment, Joe Bak was a main performer.

The dinner, from shrimp cocktail to cashews, was donated by Restaurateur Ray Favata and prepared by Chef Mike Pontore. Music for dining and dancing was provided by Bob Long and his "After Graduation Five."

As the evening's festivities drew to a close, it was generally decided that there had been few classes so successful as the Class of '56. And so, to the familiar strains of "Should Old Acquaintance Be Forgotten," the classmates bade one another a fond farewell.

The "Jolly Juniors," class of '57, was organized in the fall of '54, devoting most of our year as freshmen getting acquainted with our classmates and teachers of future years. Time flew by and we became "gay, young sophomores" In this year, Mr. Alfred H. Aulisi had been chosen as our class advisor. Blue and white had been selected as our class colors. The big event of this year was the Sophomore-Senior Party which bade farewell to the Seniors.

As Juniors this year, we presented the Christmas play which brought much Christmas spirit to W.H.S. As Juniors we will receive our class rings, a goal which each one of us has worked so hard to achieve. The last and biggest event of the year in which we will bid farewell to the Seniors, is the Junior Prom. We hope this event will prove to be a very successful one.

The Class of 1958 began its activities of the year with the election of class officers. We are fortunate to have guidance and help from Mrs. Quinn, our new class advisor.

Committees were then formed to collect dues from each homeroom for the coming year.

Of course, our big social event of the year is the Sophomore-Senior Party to which everyone is looking forward.

The Sophomore Class wishes to extend its gratitude to the SPECTATOR and best wishes to the Class of 1956 in the coming years.

When we Pea Greeners first entered the crowded halls of Watervliet High School, we felt very insignificant and lost.

However, after making friends with teachers and schoolmates, we entered into high school life. Many of us joined clubs and enjoyed attending school events.

We chose Miss Hanrahan as our class advisor, and are looking forward to three busy, happy years.

We wish the Seniors happiness and success in the future. We shall endeavor to support the fine traditions of Watervliet High.

Student Council

*Best of Luck always
Rich*

The Student Council is the most important organization of the school. It is the heart or pulse of the school. It is the school's most dynamic organization, one which is not just active, but active in the things that count. It is composed of twenty-five specially elected members, one from each homeroom . . . The President is elected during the previous year by the entire student body.

The Student Council is the means by which the administration of the school, the faculty, and the student body can work together in harmony making the school a better place in every way by (1) promoting the general welfare of the entire school by encouraging loyalty and good morale, (2) fostering ideals of good citizenship, and (3) sponsoring worthwhile projects that live up to the standards of the Student Council.

The activities of the Student Council throughout the year include the Student Council Dance; the Student Council Play; conducting the nominations and elections of the A. A. President, the City Mayor and councilmen; holding special assemblies for the school and the community; hall duty; supervising fire drills; selling student tickets to all games; and conducting the Civic Chest, the Red Cross, and the March of Dimes Drives.

The Forum Club of Watervliet High School is a scholastic society. It is made up of those Juniors and Seniors who have a high standing in Social Studies and show an active interest in world affairs. The program of the Forum Club, under the supervision of Miss Mary Hanrahan, consists of debates and discussions, programs to celebrate appropriate occasions, and the much enjoyed banquet.

A trip to places of historical interest is made each year. This year's trip was to Amherst, Mass., to visit the Lord Jeffery Inn and also to Old Wiggin's Tavern and the Old Country Store in North Hampton, Mass. The members also visited Amherst College. At the close of the year's activities, pins are presented to members.

Le Cercle Francais is the official title of the organization known as the French Club to the school at large. Its membership is composed of students who are currently studying French or who have done so in the past. Meetings are held monthly in Room 102. The big social events of the year are the Christmas sale, the winter dance, and the spring trip. Interest this year lays in planning a trip to Montreal, to replace the one taken to New York City during each of the two preceding years.

Spanish Club

The Spanish Club, Los Amigos Espanoles, is a rapidly expanding organization, composed of more than one hundred students who are studying the Spanish language.

The purposes of the club are manifold. It acquaints the members with the songs, dances, customs and culture of the Spanish speaking countries. Also, it is the aim of the club to create a better relationship between the United States and our South American neighbors. At its monthly meetings, plays, movies and songs are presented in the native language. The highlights of the year include the traditional pinata at Christmas; the annual Spanish dinner, using authentic recipes; the spring dance, which now will be an annual affair.

The Spanish Club endeavors to promote a greater interest and understanding of the Spanish language and provides wholesome entertainment at the same time. "Saber es poder," "Knowledge is power," is the club's motto.

The club is under the very adept guidance of its advisor, Mrs. Christine Jones.

Thalian Society

The Thalian Society, composed of sixty Sophomore, Junior, and Senior girls, plays a very active part in W.H.S. The organization, under the capable direction of Miss Cecilia Schillaci, sponsors many activities during the school year.

In October, the initiation of pledges for the society provides a week of laughter for all students. A candlelight service completes the formal initiation for the pledges.

On Thanksgiving Eve, the Thalian Soiree is held. The dance is always a tremendous success because of the careful planning and co-operation of the Thalian girls.

Representing W.H.S. in their activities, the Thalian girls sponsor various events during the year. Among these are the sale of scarfs and a bake sale.

The final social event of the Society for the school year is its annual May banquet. Faculty members, new pledges to the society, and honor members of the graduating class are invited.

Art Club

With the aim of developing the inner resources through creative experience, the art club of Watervliet High was formed under the direction of Mrs. Hudson.

The club strives to stimulate the aesthetic sense and endeavors to put to use all factors and fundamentals of design in every day living. It aids the students in making exciting new discoveries through their eyes and minds by increasing their powers of observation and inducing a meaningful perspective which will give them the pleasure of enjoying more fully what they see for the remainder of their lives.

To be eligible for membership the student must have completed one year study of art and be enrolled in a second year. Each year the members must complete at least one individual project for exhibition. This project may be a craft product, water color, oil painting, charcoal drawing or any other technique which creates an interesting show piece.

Members also participate in painting stage sets for civic and school plays. Poster work for civic and school activities plays an important role in the club. Sketches for the yearbook are submitted by the art club seniors as part of their activity. Co-operative creativity is developed in this way.

Watervliet High School is very fortunate in having a well organized Camera Club which has been in existence since 1949 under the able direction of Mrs. Florence Pardus.

The members meet on the second Monday of each month and study the phases and techniques of photography.

This year the club has a record membership of fifty-seven students. In January, a showing of Kodak prize-winning snapshots is always scheduled. A snapshot contest is sponsored by the club for which all members are eligible. During the Christmas season, the club has a party for its members. Sessions of developing, printing, and enlarging are held after school for those who wish to take advantage of the club's facilities.

Band

The tone of music is universal. Music has been produced through the ages because playing and listening to others perform are delightful, satisfying experiences.

Through band membership, students develop well-balanced personalities via wholesome group experiences; they enjoy music more fully through active participation in group performance and they contribute to the musical life of the school and community.

The W.H.S. Band has been organized for four years. Among the highlights of its activities are the Tri State Band Festival, the annual Spring Concert, assembly concerts, and parade marching for the community.

The skill of its majorettes has added to the band's spirit and appearance.

The Glee Club is composed of students who are members of choral practice classes, of which there are four in school.

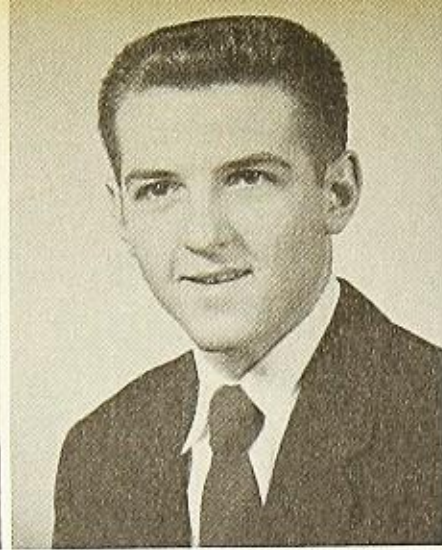

From these, a select group form the small chorus called the "Merrytones." General practice is in class periods throughout the year but training is intensified at Christmas season, just before the Spring Concert, and at Commencement time.

During the year, other special events require music, and members of the choral club are delighted to volunteer their services. Such programs include volunteer entertainment for Junior Red Cross service and Parent Teachers events or any affairs such as these.

National Honor Society

The National Honor Society is an organization which aims to foster due enthusiasm for good scholarship and to recognize character, leadership, loyalty, and service to the school.

Watervliet High School sponsors a chapter of the National Honor Society to recognize outstanding members of the graduating class who meet the necessary qualifications. To be eligible for membership, a student must attain a general average of eighty-five percent. Extra-curricular activities record is an important factor in determining selection of members. Election to membership is made by a committee of faculty members. The number of members elected is limited to ten percent of the graduating class.

Graduates who are elected to membership are awarded membership certificates and gold pins, the national ensignia of the organization, at the annual Class Night exercises. The gold ensignia consists of a keystone and a flaming torch. The keystone bears the letters C.S.L. and S. which stands for the four cardinal principles of the organization: Character, Scholarship, Leadership, Loyalty, and Service. The Flaming torch symbolizes the searching light of truth.

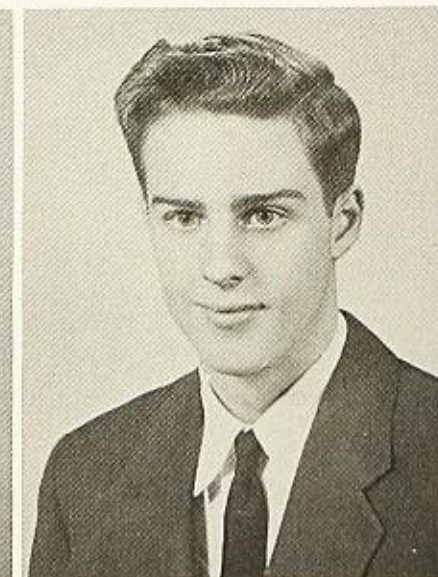

The local chapter is under the sponsorship of Mr. Robert H. Collier, Guidance Counselor.

Garnet and Gray

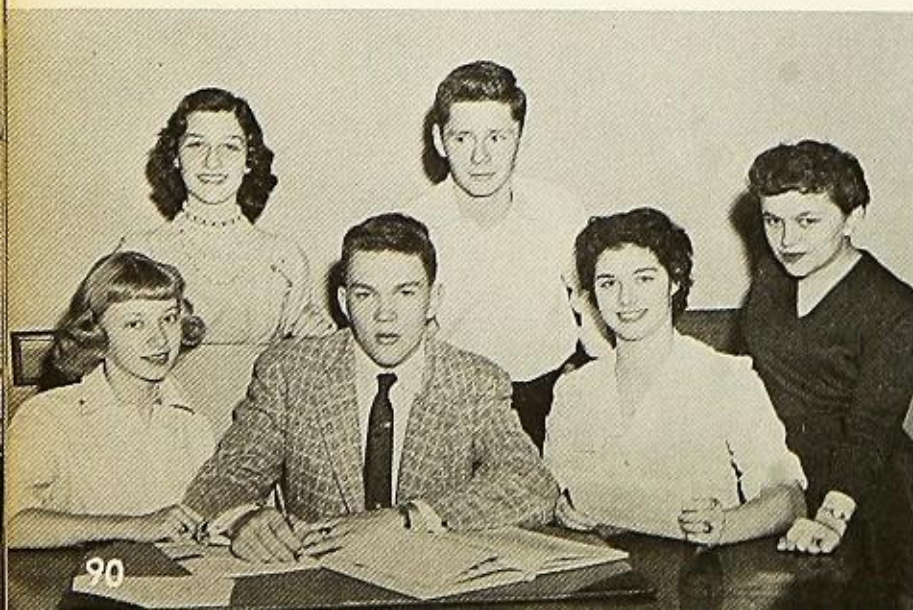

The GARNET and GRAY is written for the purpose of informing the student body of the latest events occurring in Watervliet High School.

The staff of editors, reporters, and typists work very hard on each issue.

Besides gathering the news, the Journalists make "the front page" by sponsoring two dances during the year.

Also, once a year, the entire class visits the Troy Record Building to study the proper methods used in editing a paper. This helps the novices in understanding their work.

Of course, success cannot be attained without proper guidance. Mrs. Richards is the capable advisor to the staff.

Football

Under the direction of Coach Walter Nash, this year's football team was probably the smallest in the history of Watervliet High. The team, greatly lacking in manpower but rich in drive and spirit, defeated Cohoes High, which was its only win of the season. Because so few boys turned out to play this year, there was no Junior Varsity.

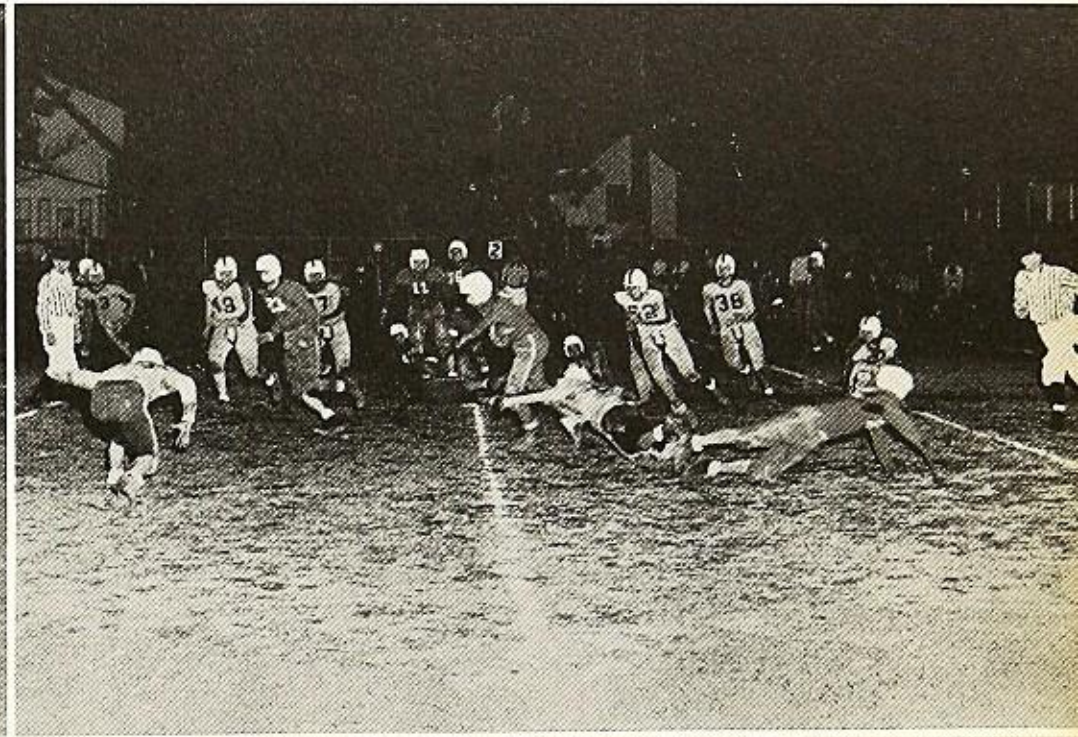

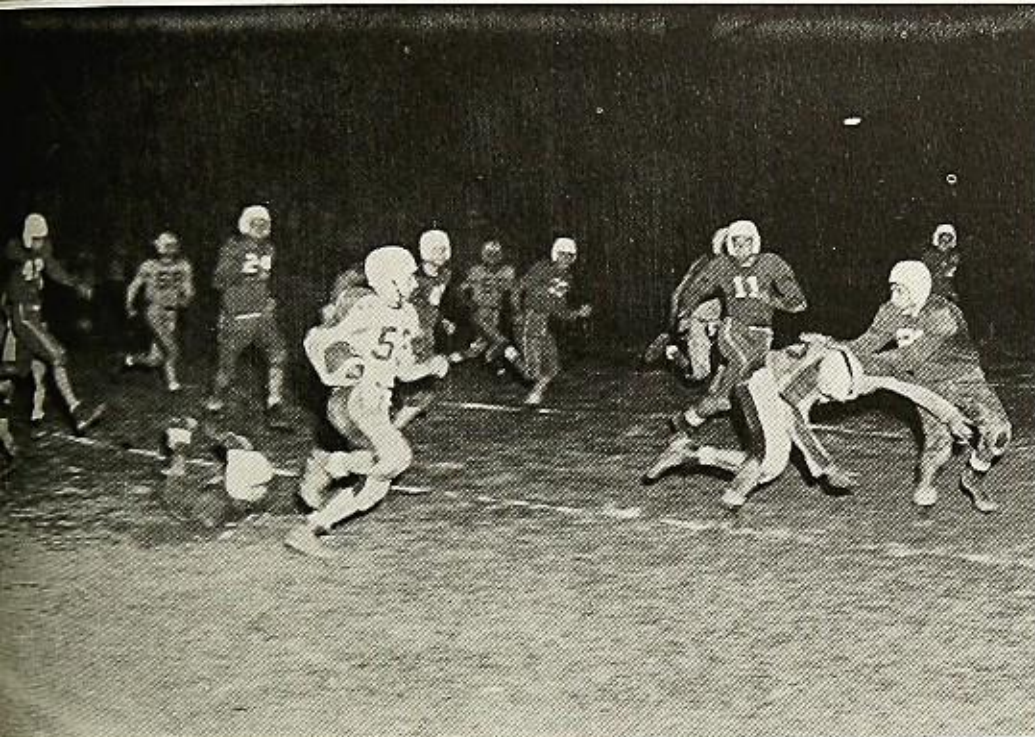

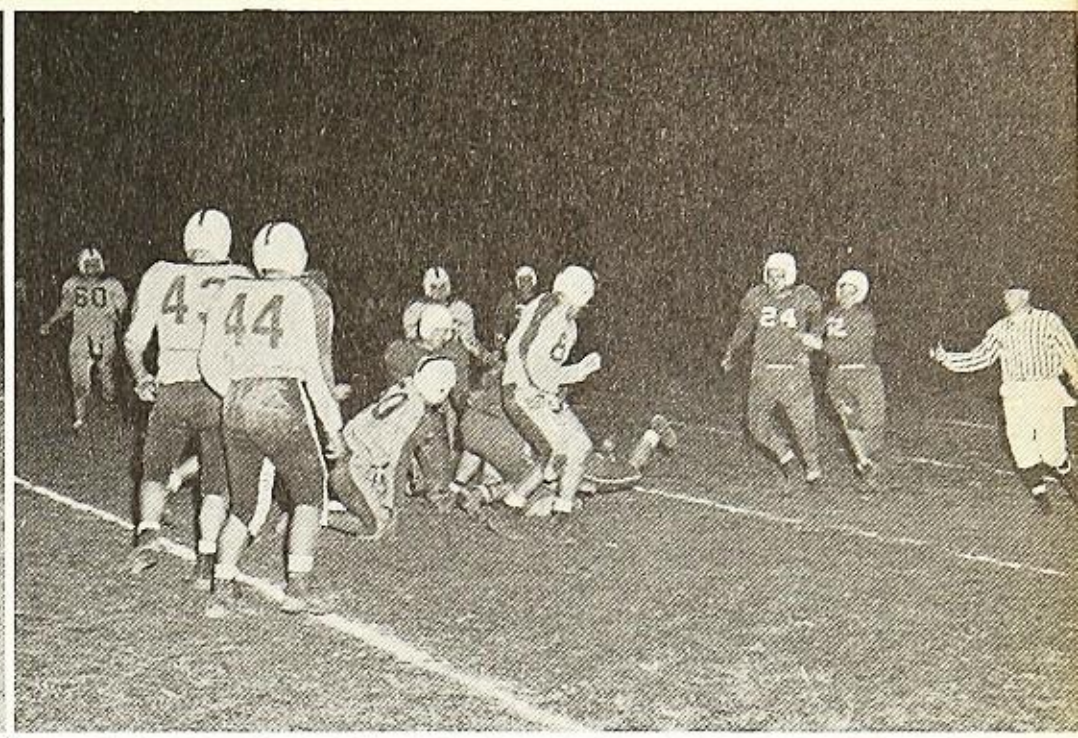

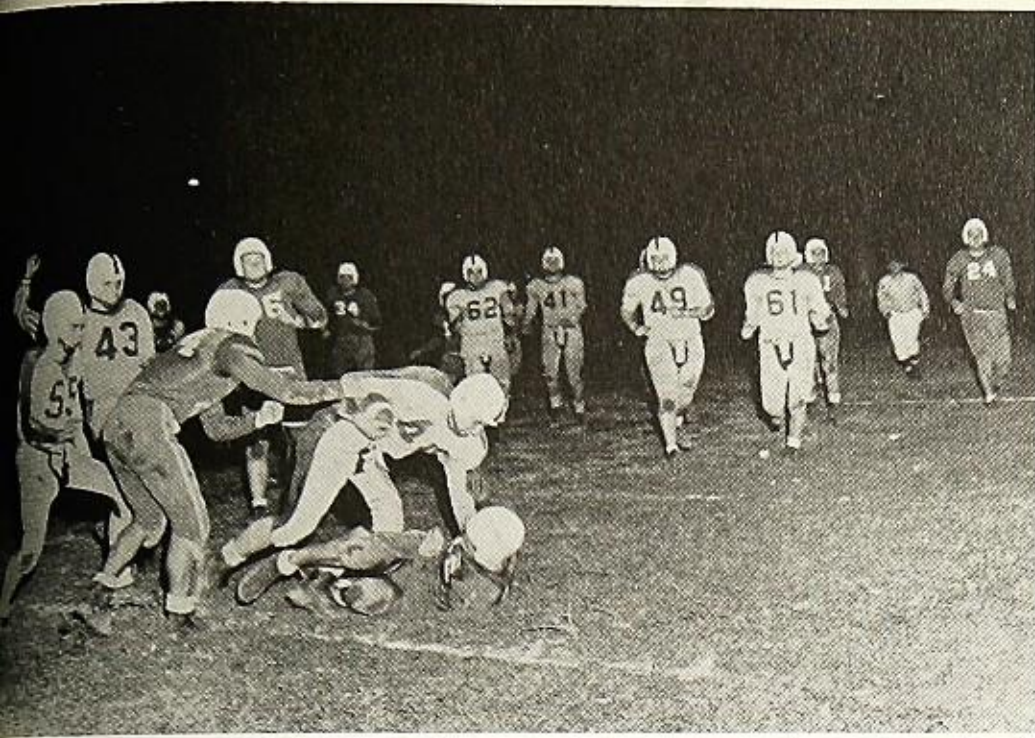

The boys seeing the most action this year were as follows: Dick Foglia, Lou Tetrault, co-captains, Dick Terrill, Nick Fitzgerald and Frank Barone.

The entire team wishes to express its sincere thanks for the undying efforts of Head Coach Nash and his able assistants, Coaches Thompson, Wozniak and Brignola. Also they would like to wish them better luck for the next season.

Soccer

Under the able direction of Coach Donald Hill, Watervliet High's soccer team completed another victorious season. Over the past five years the team's scoring record has been remarkably outstanding. In 55 games, which consists of a possible 110 points, our team has scored 102.

Again this year Watervliet High fought its way to the top of the Tri-County League Soccer Association, defeating 9 of the 11 worthy opponents and tying 2. However 'Vliet suffered a 4 to 2 loss on the snow covered Broadalbin field against the strong Fort Plains eleven in the first round of the sectional play-offs.

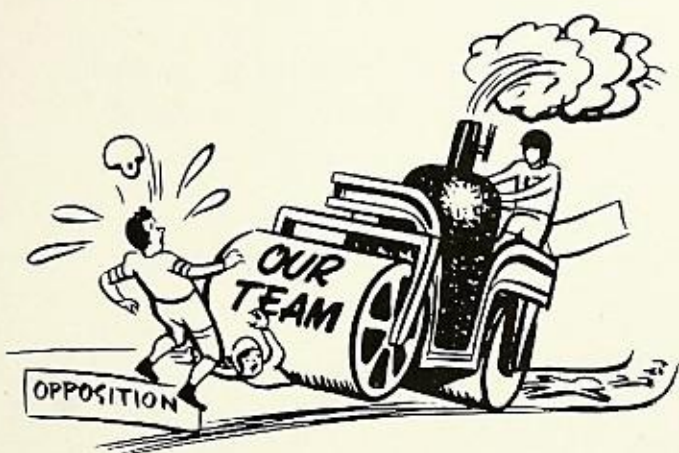

The players seeing the most action were: Bob Poulin, Joe Chartrand, Tom Henry, John Carroll, Tipper May, Harry McBain, Paul Esposito, Tony Romanelli, Lynn Dugan, Loyde Edwards, Stan Toma, Fred Esposito, Clarence Smith, Bill McGhie, Joe Torre, Bill Boyland and Paul Volk.

Soccer Banquet

Like the action on the field, the Soccer Banquet also proved to be a great success. The guest speaker, Joseph Garcia, presented a film on the advancement of Soccer, which was wholeheartedly received by all. As honored guests; the Board of Education, the male portion of our faculty, and our new principal attended.

The main feature of the banquet however, was the presentation of the Tri-County trophy to co-captains Lynn Dugan and Stan Toma. The honors were done by the league secretary, Mr. Robert Hill.

Varsity Basketball

The 55-56 Basketball season for W.H.S. proved to be very discouraging, in one respect, especially. Lack of height was the chief factor in Watervliet's final record of only 5 wins as opposed to 13 losses.

The squad was captained by Paul Esposito, who with the help of his teammates, achieved an excellent record, Paul broke two records; total points of one season and total points scored in one game.

The team consisted of five seniors and five juniors. The seniors were Paul Esposito, Don Quackenbush, Lynn Dugan, Chester May, and Bill Phillips. The five Juniors were: Fred Esposito, Frank Bowden, Andy LaValley, Stan Toma, and Lee Mieskie.

The team and student body wish to thank Mr. Jones for his untiring and devoted efforts as coach of the Canoneers.

This year's Junior Varsity chalked up a fine upstanding record for their 55-56 Basketball campaign. From the 18 scheduled games Vliet overpowered 10 of her most worthy opponents. The eight losses suffered by our high spirited team were close, hard fought contests.

Sophomores dominated the Vliet squad, which had only 5 freshmen. The seven Sophomores were: Joe Chartrand, Ed Pike, Ken Fritz, Mike Kerin, Ray King, Lloyd Edwards, and Don Spiak. Backing the Sophomores were Freshmen: Steve Galusha, Bill and George Peterson, Ed Warke and Robert Rounds.

The J.V. Squad also extends its sincere thanks to coach "Tom" Jones for the coaching that made them a success.

Under the direction of Coach Tom Jones, 'Vliet's 1955 nine went into action a relatively green squad, with only one letterman included among the six hold-overs. The inexperience of the squad played a large part in their poor record. The team was able to win only one game of the twelve played. While the 'Vliet nine never was in contention for a title, they played hard and never stopped trying.

The boys who saw the most action were: Jon Olson, catcher and Captain of the team; Tom Disonell, pitcher; Bill Tetreault, first base; Bob Kelsey, second base; Dave Maney, shortstop; Lionel Rogers, third base; Jim Saur, left field; Charles Kelsey, center field; and Ed Sells, right field.

Track

Also under the direction of Coach Nash was the 'Vliet Track Team which did not fare so well during the 1955 season.

Dick Foglia constituted the major portion of the Garnet attacks with his outstanding achievements in the shot-put and discus throwing.

Other boys playing an important part in the team's spirited efforts were: Tom Stah, Wayne Ambrose, Tom Barber, Bill Brown, Gene Bowen, Joe Bak, Charlie Kelsey, Bob Poulin, Andy LaValley and Walter Urbanski.

Varsity Cheerleaders

When spirits were low and scores even lower, the Cheerleaders, who did exceptionally well in keeping up the enthusiasm of the student body, were there to give a cheer for the boys of the Garnet and Gray.

Win or lose, they kept their spirits high in leading the students in cheering our team on to victory.

This year's squad consisted of Evelyn DelSignore, Captain; Marcella Van Leuven; Pat Breen; Virginia Bird; Florence Hughes, Dotty Provost, and Judy Duffney.

Knock! Knock! Knock on wood! Throughout the gymnasium, you can hear this cheer giving our boys the spirit of fight for another victory for W.H.S.

Our new J. V. cheerleading squad, of 1955-56, consists of the following girls: Captain Marjorie Eagan, Barbara Common, Julie Mokay, Karen Blonshine, and Carol Mardigan. Judy Carl is alternate for the J. V. squad.

The Girls' Athletic Association promotes leadership, sportsmanship, co-operation and teamwork. This organization came into existence six years ago. To become members, girls must participate in extracurricular sport activities. All girls are eligible.

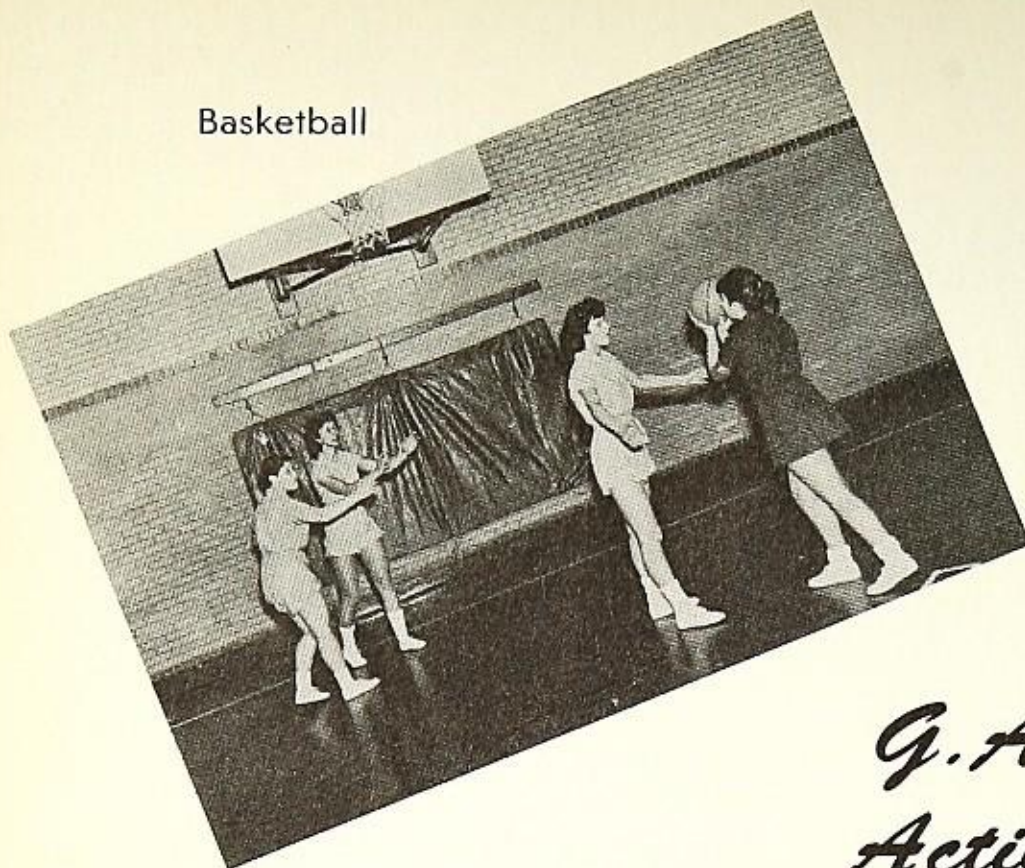

Each member receives points according to her ability in after school activities. Awards are given to the top ten girls of each class at the G.A.A. banquet in June.

Activities scheduled for this year are hockey, soccer, basketball, volleyball, badminton, horseback riding, softball, archery, and possibly tennis and bowling. Teams are selected to compete against other schools in the area. G.A.A., as in previous years, may sponsor a Sports and Demonstration Night this year.

Junior Play

The Junior Class successfully presented its annual Christmas Play, "Song of Glory" at the December fifteenth assembly.

Its theme depicted the error that many of us make in the rush and hurly burly of the Christmas season, the religious significance is often lost.

The characters of the play were excellently portrayed by Anna Hughes, Judy Duffney, Earl Eichele, Carol Mardigan, Ronald Dundon, Beverly Legenbauer, John Devoe, Victor Humel, Margaret Salmond, Pat Hunter, Joseph Viola, Gail Thorns and Barbara Common.

The play was under the competent direction of Miss Gabriels.

The Thalian Soiree was presented in the Circle Inn on Thanksgiving Eve, November 23, 1955. Music was furnished by Johnny Granato and his orchestra. Ninety-five couples attended this exciting affair.

The Queen and her Court were chosen at 10:30 to the strains of "A Pretty Girl is Like a Melody." The committee of judges selected lovely Judy Hart, Class of '57 as Queen, with June Walker as her maid of honor. On her court were Carole Collier, Ann DiModugno, Catherine Esposito, Barbara Guy, and Barbara McGovern.

The Rymanowski Brothers furnished the music to which couples danced from nine to twelve.

Lovely Virginia Bird was crowned Queen, Patricia Breen serving as her maid of honor. On her court were Joyce Best, Barbara Granger, Barbara McGovern, Jean Morrison, and June Walker.

Senior Play

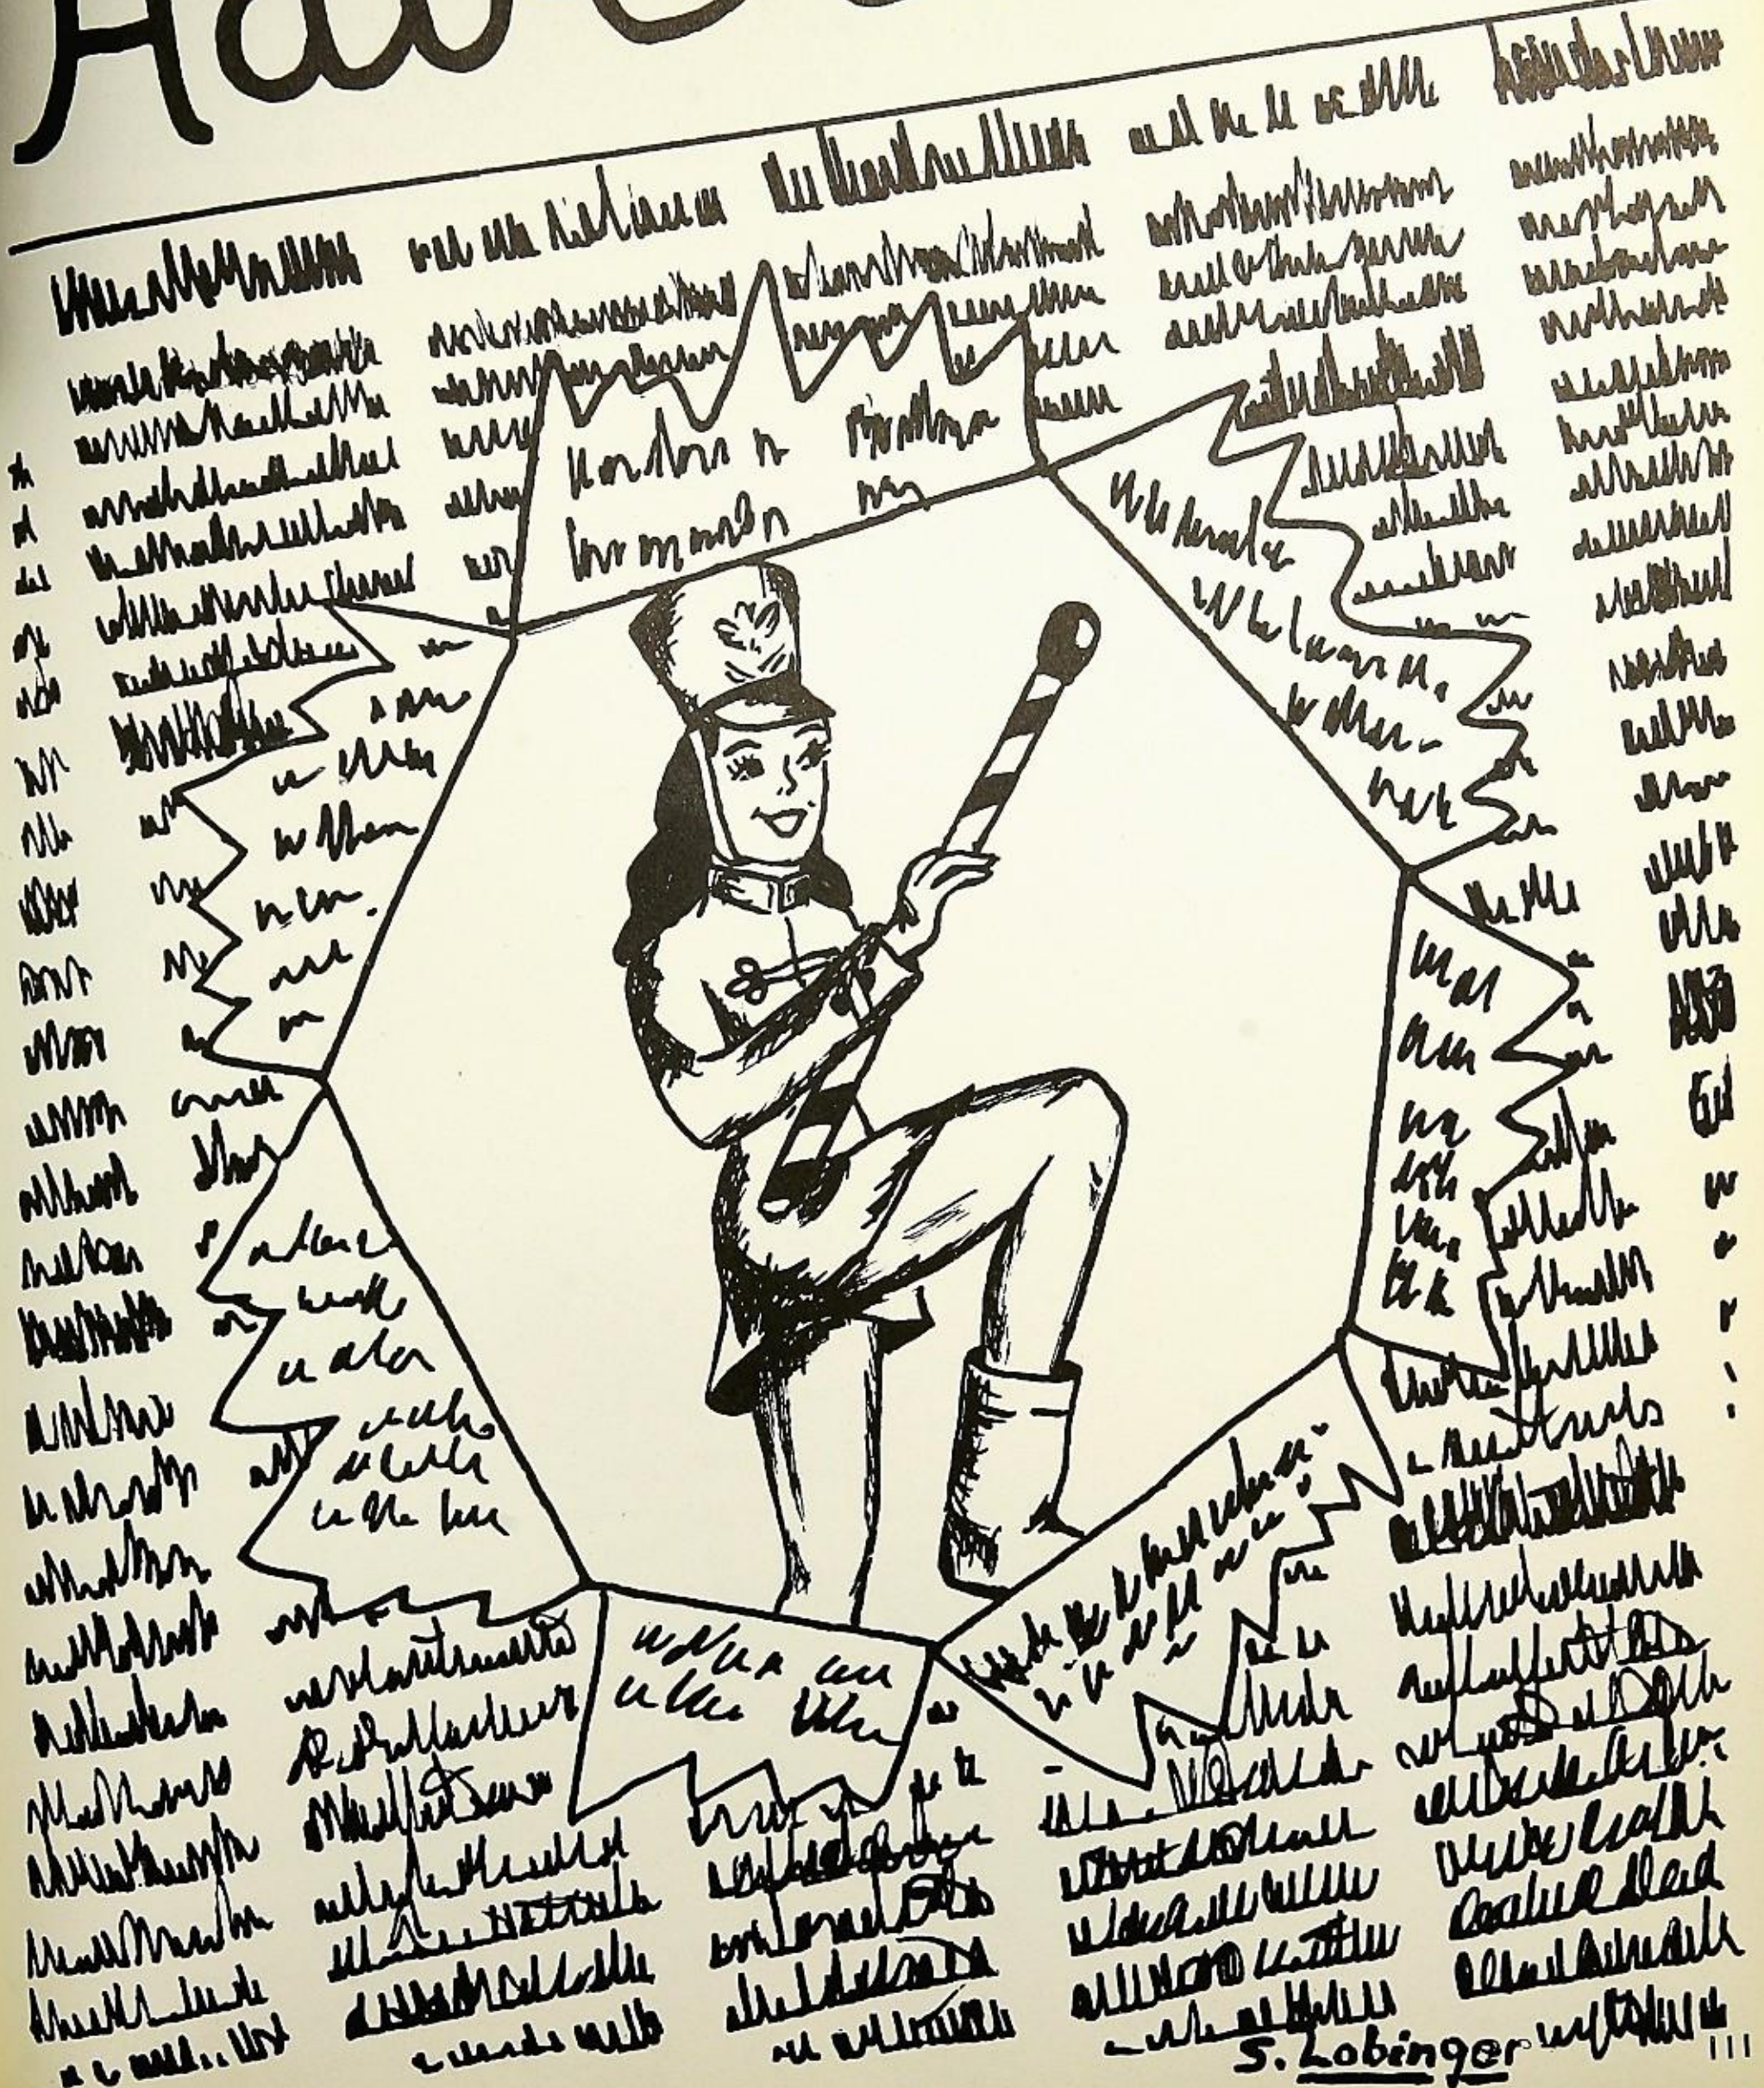

On the evening of November 18, 1955, the Senior Class presented "Junior Miss," a comedy in three acts, written by Jerome Chodorov and Joseph Fields. Almost a full house witnessed this very successful production, under the direction of Miss Jane Gabriels.

The role of Judy Graves, "Junior Miss," was portrayed by Virginia Bird, while Elmer Akots and Priscilla Conover backed her up with portrayals of Mr. and Mrs. Graves. Vicki Fiske and Margaret Papanian appeared as "sophisticated" Lois Graves and "happy-go-lucky" Fluffy Adams.

With the help of Carole Collier, Thomas Stoddard, Marilyn Ashley, Angelo Lomascolo, Almeron Richmond, Thomas Pratt, Robert Long, John Dean, Richard Foglia, Kenneth Kippen, Wayne Ambrose, Jerry Mastan, James Butler, and David Maney, the Class of '56 presented a very successful play.

Without the efforts of the production staff, headed by June Walker and Phyllis Salernos as student directors, the play would not have been the success it was.
